HR Manager

Gonoka

522, street 1986, Phnom Penh Thmey, Sen Sok Phnom Penh, Cambodia 12101

Dear Hiring Manager,

I am writing to apply for the Web Development Intern position at Gonoka. I am a fourth-year Computer Science student at the Royal University of Phnom Penh, and I am eager to apply my technical knowledge in a practical, professional environment.

During my studies, I have built a solid foundation in PHP, Laravel, MySQL, REST APIs, and Java. I have also worked on academic projects such as a Product Management System and a Delivery Management System, which provided valuable experience in system analysis and functionality testing. These projects helped me understand the importance of software testing in ensuring quality and reliability.

I am particularly motivated by this opportunity at Gonoka because it allows me to apply my technical skills while further developing my knowledge in software testing and quality assurance. I am hardworking, adaptable, and eager to learn, and I am confident that I can quickly become a productive member of your team.

Thank you for considering my application. I look forward to the opportunity to contribute to Gonoka's mission and advance my career as a Web Development Intern.

Sincerely,
Hok Sophor
